

MULE RECORDS BROKEN AT BAUGHMAN'S SALE

GREAT CROWDS PRESENT AT
TWO BIG SALES OF LINCOLN
COUNTY STOCK.

Old sale men, mule and horse buyers of many years' experience say that they have never seen such a sale as that of James H. Baughman held here Wednesday. There have been other sales in Kentucky where more money in the aggregate was realized, but none wherein as large an amount of superlative class stuff was offered and brought such uniformly high prices.

And to cap the climax of an otherwise remarkable sale, two records for mule prices were smashed when W. N. Griffin, of Gallatin, Tenn., paid \$265 for a suckling mare mule colt at its mother's side and Lon Hudson, of Atlanta, paid \$395 for the "Roman Nose" mule, Mr. Baughman's crack three-year-old horse mule, which has only been beaten once in his class in a fair ring, and has probably won more blue ties than any mule in Kentucky. Both of these mules will be continued in their fair careers by their new owners. Great interest was aroused in the sale of the suckling colt, and the bidding was very spirited. Dr. J. D. Arbuckle, of Madison county, being the runner up against Mr. Hudson. When the \$250 figure was reached the big crowd broke into a cheer, for it was said that that figure was the highest hitherto paid for a suckling mule colt.

In addition to the sale of the two mules mentioned, Gentry, Thompson & Duval paid \$550 for Mr. Baughman's crack mare mule which is conceded to be the best out this year. Mr. Baughman was anxious to have all his finest stock retained in Kentucky, but much of it goes to Tennessee and other states where so much richer premiums are hung up for mule rings at the fairs.

Mr. Griffin bought privately from Mr. Hudson after the auction, the "Roman Nose" mule for \$400 and will take him to Tennessee to show with the others he got, at the big fairs at Knoxville, Memphis and the State fair at Nashville.

The total sum realized from Mr. Baughman's sale of mules is over \$20,000.

Not in a quarter of a century has a crowd of such magnitude been seen at a Kentucky sale. Many estimated it at from 2,000 to 3,000 people. Burgoon dinners were prepared for 2000 and the supply was hardly enough. The sale was held under the big show tent, which was a wise provision for the day was broiling hot.

Col. T. D. English and I. W. Dunn, of Danville, cried the sales and made every animal go the limit.

Some valuable household furniture was sold by Col. Chandler before the stock sales. Isaac Shelby paid \$70 for a handsome old sideboard.

William J. Yager

SUCCUMBS TO BRIGHT'S DISEASE AFTER LINGERING ILLNESS.

Mr. William J. Yager, one of the best known and most successful traveling men out of Louisville, died at the home of his brother-in-law, Mr. W. M. Bright, yesterday afternoon, after a long illness of kidney trouble and complications.

About 15 years ago Mr. Yager married Miss Mary McKinney, of this county, and for a number of years they lived in Louisville, where Mr. Yager held a lucrative position as traveling salesman for Fischer-Leaf & Company, a big wholesale house.

Some time ago his health began to fail him and with his family he moved to this place, where he had but recently bought property on Danville avenue, but on account of his enfeebled condition had not taken possession of it. Deceased was born in Taylorville 43 years ago, was a member of the Broadway Christian church at Louisville and was held in high esteem by the firm for which he traveled and by a legion of friends everywhere, who will be deeply grieved to learn of his untimely death.

Besides his wife, Mr. Yager is survived by two boys—W. J. Yager, Jr., and Houston Yager, aged 13 years, and 6 years, respectively, and his mother, Mrs. Margaret Yager, and one sister, Mrs. J. T. Short, of Louisville.

Only a few months ago his father passed away and now his family is bowed down again with grief over the death of him who had so much to live for. May God in His infinite love and wisdom comfort the sorrowing ones in this sad hour.

The funeral services will be conducted by Rev. D. M. Walker at 2:30 tomorrow afternoon at the home of Mr. Bright, after which the remains will be consigned to Mother Earth, there to await the judgment morn.

INCENDIARY FIRE IN CASEY COUNTY

RAW DEAL FROM A SEED MERCHANT—MILTON MCCORMACK IMPROVING.

Hustonsville, Sept. 8. News was received here today that the residence of Mrs. Rader, a widow, was burned to the ground on Jonathan Fork, 10 miles from Middlesburg in Casey county last night. The bloodhounds of Marshal Lair, of Hustonsville, were quickly called to the scene and placed upon the trail. The building and all contents were destroyed. The family was away from home when the burning occurred. The hounds trailed to Eubanks this morning. It was learned there that two suspicious characters bought tickets for Danville and the investigation will be continued to that point. The belief is that the house was robbed and then burned.

There is an inspired adjuration to "beware of the man of whom everybody speaks well; likewise suspect the man who after long tooting his own bassoon" has exchanged it for a megaphone in fishing for suckers. A suit for damages by each victim should assure prompt restitution.

Here is the case: The past season has been the most disastrous season to our melon growers that even veterans ever experienced, aside from unprecedented expense of cultivation in necessary hoeing and hand weeding. A certain seedsman of Philadelphia, who advertises and charges more extravagantly than the least scrupulous competitor, supplied our growers nearest town a lot of bum seeds, which have produced a crop of hybrids that do not average up with good pie pumpkins in flavor. This seedsman not only issues a most seductive catalogue with cuts of mammoth crops grown by his customers, but annually has a list of novelties worth their weight in diamonds, and issues a supplement to his catalogue called "Practical Farmer," whose corps of editors pass up no opportunities that are presented or made to push his goods—that fail to do what is claimed for them—hence the damage.

Miss Hettie Floyd, one of our highly accomplished young ladies, left on Monday for Globe, Arizona, where she goes for the third year to teach in their splendid city school.

Charles Wheeler, Dr. J. C. Barker and others made good speeches to the very large audience at the opening of our high graded school last Monday. Every indication whispers in melodies the charming evidence of a splendid school, thoroughly organized in every department for a most successful year's work.

George Cunningham bought from T. A. Rynerson 40 head of 1050 cattle at 5c. James Yowell bought from various parties 100 1100-pound cattle at 4 1-2 to 5c. J. C. Johnston bought of W. G. Rounton 45 lambs at 5 1-2c and a lot of nice heifers to fill a car at 4c.

J. Q. Yowell, of Rush Branch, Marion county, spent several days last week in our city, the guest of Mr. Frank Vaughan.

West Main street on Saturday night was made hideous by the riders of running horses, yelping and shooting as they ran rapidly towards the fork. The parties are known and it would be best for them to come up and settle at once.

D. C. Allen shipped an assorted car to Cincinnati last week of hogs, cattle and lambs, for which he paid 7 1-4, 3 1-4 to 4 and 4 to 5c respectively.

Harry Williams sold a good family horse to Mrs. Janie Russell for \$250.

Mrs. E. J. Willis, of Kirksville, Mo., a near relative of Rev. W. S. Willis, pastor of the Christian church here, died last week and was buried at Simpsonville, Shelby county, Kentucky, on Friday last in the presence of a large concourse of sorrowing friends and relatives.

Cleve Dunn's "left paw" twirls and curves defeated the Bloomer Girls' team at Junction City on Saturday. The attendance, Cleve says, was like a circus day and drew a big crowd. The score was 8 to 5 in favor of Junction City.

Miss Alice Burgin, of Mercer county, Miss Denny, of Lexington, and Mr. Alex Robinson, of Garrard county, are guests of Mrs. Alice Lusk and sister, Mrs. Minnie Robinson, at the Kauffman home on Danville avenue this week.

The ladies of the Hustonsville C. W. B. M. will meet on Thursday evening in the Christian church. All members are especially requested to attend.

Rev. Isaac M. Yonan, of Persia, will speak at the Presbyterian church next Sunday morning and evening.

He will speak to the Ladies' Missionary Society and C. W. B. M. at 2:30 p. m., Monday. All are cordially invited to attend.

Ellwood and Francis Weatherford leave this week for their respective schools in Lexington, Va., and Mayville, Tenn.

Carlisle Myers left this week for Lexington where he will matriculate at the State University to complete his education.

The many friends of Milton McCormack over Kentucky will be glad from the severe attack of typhoid fever and sends his best regards to all inquiring friends.

Much complaint is heard from the tobacco raisers who say that the continued rains are doing great damage to all tobacco that is ready to cut and this means fully one half of the crop in this end of the county.

D. C. Allen shipped to Cincinnati 9 cattle, 46 hogs and 42 lambs for which he paid \$8.15 for hogs, 3 1-4 to 4 c for cattle and 4 to 5c for lambs and sold 13 feeders at \$5.15. He bought 20 calves and sold John Lutes a bunch at 4 1-4c.

Miss Angie Carpenter has returned from Augusta, Kansas, to take her class in music and elocution in our graded high school again. A cordial welcome was given her on her early return.

Full reports of the two big sales this week and heavy advertising have crowded out the installment of "The Island of Regeneration" due in this issue and forced to leave out much larger and faster press to enable us to print a larger paper and the only way we can get it is for every one of our 3,200 subscribers to send or bring us a dollar immediately. We are forced to leave out columns of interesting news every issue simply for the reason there is not room for it, and to print six or eight pages is a herculean and almost never ending task because of the large number of papers to be printed and the slowness of our old press.

So, if you are interested in seeing the I. J. made bigger and better every issue—and we hope every reader is—you can help along the good work—by sending that dollar at once.

News comes that E. C. Walton has bought a daily paper at Orlando, Fla. The old saying that printers' ink will never wash off a man's hand is again proven true. All will wish him unbounded success.

Here is a Remedy That Will Cure Eczema

"WE PROVE IT."

Why waste time and money experi-
menting with greasy salves and lo-
tions, trying to drive the eczema
germ from underneath the skin when
the druggist at the drug store guar-
antees ZEMO, a clean liquid prepara-
tion for external use to rid the skin
of the germ life that causes the
trouble? One application will re-
lieve the itching and oftentimes one
bottle is sufficient to cure a minor
case of eczema.

In over 2,000 towns and cities in
America, the leading druggist has
the agency for ZEMO and he will tell
you of the marvelous cures made by
this clean, simple treatment. ZEMO
is recognized as the cleanest and
most popular treatment for eczema,
pimples, dandruff and all other forms
of skin or scalp affections whether
an infant or grown person. Will you
try a bottle on our recommendation?

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, in Plain English; or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

Sample Helps Frail Women

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and the verge of invalidism. It is often very unnecessary and the woman's own fault.

The first thing to do is to look to the state of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this result indigestion, piles, weariness, etc., that women constantly complain of. But there is no use taking "female remedies" and things of that kind until you have started your bowels moving. You will find that when the bowels move regularly once or twice a day all your petty ills will disappear. Take a good, mild laxative tonic like Dr. Caldwell's Syrup Pepsin for awhile and you will find yourself rapidly getting better and stronger, your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartic pills or salts, but just such a mild and pleasant-tasting remedy as Dr. Caldwell's Syrup Pepsin.

You can obtain a bottle of your drug-gist for fifty cents or one dollar, and either size will be enough to permanently cure you. Thousands of women keep it regularly in the house and will no longer be without it, as it cured them and can be used with safety by every member of the family, down to the youngest child, but if you have never used it take the advice of Mrs. Earl S. Cox, 499 Twenty-fifth street, Moline, Ill., and Mrs. Ellen Dungan, Muncie, Ind., and send to Dr. Caldwell for a free trial bottle, as they did, and learn for yourself what it will do in your own case. That it will cure you, as it did them, there is no doubt.

Dr. Caldwell personally will be pleased to give you a medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For other requests the doctor's address is Dr. W. B. Caldwell, R. 599 Caldwell building, Monticello, Ill.

Nor-Shap Barn Door Hanger

The tubular track is easily put in position. It is impossible for this track to freeze up, clog or stick. The slot is on the lower side. Note the tandem roller carriage—the wheels are round, with a flange in the center, which plunges the slot, compelling the carriage to work freely and in perfect line.

The solid steel wheels are mounted on roller bearings. You can swing this door at right angle to the barn, making a shelter from rain or sun.

The tubular track comes in three-foot sections and will fit any barn door.

If you want the best that money can buy, something that will be good, not only for years, but for generations, investigate the Nor-Shap Tubular Barn Door Hanger.

HANNA'S GREEN SEAL PAINT

is without doubt the most efficient house paint on the market, and is *cheapest in the end*, in that it will go further and wear longer than other paints. Only the best materials are used, with WHITE LEAD AS THE PREDOMINANT PIGMENT, tempered with just enough zinc to prevent chalking quickly, as is the case where lead alone is used.
